Dear Mr. Carver:

In a conference with Mr. Garry Quinn of OSD/ARPA on Tuesday May 16th he mentioned your familiarity with the Revolutionary Development Program in the Republic of Viet Nam. While doing field work in the Republic last year for the Simulmatics Corporation (on the Chieu Hoi Program) I became interested in the R.D. Program.

I will be receiving my M.A. in July and since my main academic concern has been insurgency warfare I would very much like to know if the Agency is staffing in the R.D. Program in Washington. I could be in Washington in mid-July for an interview. I have enclosed some of my previous research and curriculum vitae for your consideration and would appreciate a reply at your convenience.

Sincerely,

STAT
